Sign up now to receive free alerts via text message, email, and/or voice message.

- Add your address to receive geo-targeted alerts – some alerts, like electrical outages, are sent to alert recipients in the area affected by the outage.
- Indicate what types of alerts you want to receive including road closures, utility disruptions, and emergencies.
- Alert New Richmond is powered by Smart911, allowing you to provide additional information that emergency dispatchers will see if you call 9-1-1.
